

Minnesota Republicans,

Thank you for attending your Republican Precinct Caucus. This is where you will help shape our party platform, identify candidates, serve your precinct, and potentially be elected to the party conventions. My name is John Krhin. I am running to be the next, and most pro-life, Governor in

Minnesota's history. My wife, Julia, and I have been married for 52 years. God has blessed us with 8 children, 30 grandchildren, and 4 great-grandchildren to date. Though I've never held public office, I've served the church as an ordained minister of the Gospel since 1981. For much of the time, I've been bi-vocational, working as an over-the-road truck driver, an independent contractor, and a business owner. Two articles I've prepared can be viewed on our website at www.krhin4gov.com. WE ARE MINNESOTA and COMMON SENSE FOR MINNESOTA, more clearly define who I am, and form the framework from which I intend to govern. Minnesota needs a reset. For too long, we have swerved from common sense and failed to function as defined by The Declaration of Independence and the United States Constitution. My current and developing reels/posts on Facebook and other social media platforms will guide you in understanding what our Founders intended when they framed these documents and how Minnesota has gone off course.
